

Revolution®

It's time to redefine possible.

Reduce waste. Achieve your sustainability goals. Contribute to a greener future. We're redefining the possibilities for sustainable plastic solutions.

COMMERCIAL SHEETING & BAGS

Environmentally responsible plastic.

Our unique, circular approach to production and recycling results in sustainable film solutions that are tough on the job and easy on your conscience. We offer a full line of the highest quality commercial and industrial products engineered to perform.

A revolutionary, circular approach.

We not only make the highest quality plastics, we also collect and recycle them to create a continuous cycle of sustainability. The result? **Effective, sustainable-loop solutions that make an impact.** Learn more at [revolutioncompany.com](https://www.revolutioncompany.com).

Tough as nails, green as grass.

For over 30 years, we have proudly manufactured high quality plastic sheeting and bags, providing the most sustainable polyethethylene products in the construction and contractor markets. Learn more at revolutioncompany.com.
